CC DANCEWEAR

Welcome to Cheerleading.com and CC Dancewear! Our company was founded with the core values of Quality, Value and Service. As we celebrate our 21st year in business, we still live by these principles. Our experienced staff is standing by to assist you with questions about ordering, sizing and manufacturing time. We have thousands of cheer and dance accessories in stock, and we control the production of all uniforms, down to the last stripe, here in our Dallas, Texas manufacturing facility.

We are proud to service large and small groups, including elementary, middle and high school teams, college teams, recreation leagues, competitive teams, international teams and sports associations. We have a deep history in the spirit industry, with family ties to Lawrence "Herkie" Herkimer's original Cheerleader Supply Company. Now the second generation of family continues the company's core values and traditions. We are confident your team will be #spiritdefined on the field, floor or competition mat!

Cheers to 2021!

We believe in each other.

We are not a team
because we work
together. We are a
team because we
respect, trust and
care for each other.

Custom-made poms are not returnable or exchangeable, all sales are final. Have a question about color? Call us for free color swatches. Average 3-4 weeks manufacturing time for custom-made poms. Need it faster? See page 112-113 for our selection of IN-STOCK POMS.

HOW TO ORDER TACKLE TWILL AND MONOGRAM LETTERING

Cheerleading Company offers an easy approach to lettering:

1. Choose lettering styles and colors to determine price.
2. State desired wording.
3. Designate lettering placement on the garment...
WE CALCULATE the appropriate SIZE!

TACKLE TWILL lettering is a satin-like emblem sewn directly onto your garment. Tackle Twill may vary in color due to the texture of the fabric. MONOGRAM lettering is embroidered directly onto your garment.

Tackle Twill and Monogram lettering is available to match any of our polyester colors. Colors may not be an exact color match. Metallic Gold (MGD), Metallic Silver (MSL), Metallic Red (MRD), Metallic Royal Blue (MRB), and Metallic Rose Gold (MRG) are available in Monogram lettering at an additional \$5.00 per monogram. Please add approximately 1-2 weeks manufacturing time for monogramming. Minimum monogram order is 4 pieces.

See pgs. 131-133 for tackle twill color availability and lettering upgrade information. Additional placement charges may incur from multiple lettering placements.

PLEASE CALL US FIRST at 1-800-411-4105 or 214-343-3333 if you have any questions, and we will be happy to provide professional assistance. We have friendly and knowledgeable telephone representatives standing by to assist you with your order! For optimal savings, consistency, and production time, place your order as a TEAM, not individually.

In order to begin production on your order, we must have the following information:

- **Personal Information** - We will need a cell phone number for you along with an e-mail address, shipping address, and billing address if applicable. Please be specific when ordering custom-made garments, lettering, and pom pons. Since these are manufactured to your specific team requests, we are unable to accept returns or exchanges.
- **Sizing Information** - We highly recommend our **FIT KITS** (available for a minimal, 100% refundable deposit) to help you determine correct sizing. Fit Kits are available for uniforms, shoes, warmups, t-shirts, shorts and many more items. Instructional "How to Fit" sizing videos are available on our website. You may also select your size based on our standard sizing charts using body measurements. We recommend that the sponsor, coach or someone with sewing experience measure team members. Please have the same person measure all of the team members. **DO NOT HAVE INDIVIDUAL TEAM MEMBERS MEASURE THEMSELVES.** For more information, please see the "SELECTING YOUR SIZE" section on page 135. Call us at 214-343-3333 or see www.cheerleading.com for more details!
- **Styles and Color Placement** - Please be specific when ordering. Need assistance? Use our Interactive Catalog or Uniform Design Tool online at www.cheerleading.com.
- **Payment Information** - All orders must include full pre-payment. However, we will accept a half-down deposit on custom uniform orders with the balance due in two weeks or before shipment - whichever occurs first. We accept MasterCard, Visa, American Express, Discover, PayPal, Check, Wire Transfer, and Money Order. Don't want to handle the money? "Team Stores" now available for collecting individual parent payments. See www.cheerleading.com/team-store.html. Cheerleading Company will accept Purchase Orders from **U.S. PUBLIC** Colleges and Universities, High Schools, Jr. High Schools, or Elementary Schools. If you are paying by purchase order, please see our CREDIT POLICY below. Tax Exempt Texas and Oklahoma Residents: If your organization is exempt from paying sales tax, you must include your signed exemption certificate with your order. Without this certificate, we are required by law to charge sales tax.
- **Production will not begin on your order until the complete order, including sizing, style, and payment information, is received.**

CREDIT POLICY

Cheerleading Company will extend credit to public schools in good standing with our company. We accept official Purchase Orders from accredited **U.S. PUBLIC** Universities and Colleges, High Schools, Junior High Schools, Middle Schools, and Elementary Schools. All Purchase Orders must be signed by an authorized school official.

U.S. Public schools that are not set up on a Purchase Order system must complete a credit application and submit a "Letter of Guarantee." The letter must state that the school is accepting responsibility of payment for the order of cheerleading uniforms and/or accessories with the total amount including shipping and handling listed. The Principal must sign the letter. It must be on official school stationery with the complete school address, phone and FAX numbers listed.

We must have a signed Purchase Order or prepayment in hand before we are able to begin processing your order. Manufacturing will begin on the date we receive the payment, Purchase Order, or Letter of Guarantee. If we have to verify your Purchase Order, manufacturing will begin on date of verification. Purchase Orders can be faxed to 800-411-0842 or e-mailed to sales@cheerleading.com.

Terms: All approved accounts are Net 30 days upon receipt of invoice. Late payments are subject to additional charges.

We regret that Purchase Orders or Letters of Guarantee from the following types of groups CANNOT be accepted: Charter Schools, Public Charter Schools, Academies and Gyms, Cheer and/or Dance studios, Pop Warner leagues, Pee Wee leagues, private companies, parks and recreation departments, and other groups that are not part of a state-recognized public school system or district. We cannot accept PO's or Letters of Guarantee from schools out of the country. We are happy to accept orders from these groups; however, pre-payment is required before order will be processed. Please see "PAYMENT INFORMATION" above, under "ORDERING CHECKLIST".

In addition to the policies stated previously, Cheerleading Company has final approval in extending credit terms to any school.

CHECK POLICY

For quick shipment, please pay with credit/debit card, PayPal, or money order. We reserve the right to hold all orders paid with check, cashier's check, or official bank check until cleared by our bank. This process can take up to 10 business days. Please note that orders placed between June and October may be subject to additional manufacturing time. Manufacturing time does not include shipping time. Monogramming, rhinestones, CC Fusion™ lettering, specialty striping, and specialty lettering can add additional manufacturing time. **Please see current manufacturing schedules at www.cheerleading.com, updated weekly.**

All manufacturing schedules are estimated. We assume no liability for delays due to conditions beyond our control including delivery service delays, strikes, accidents, war, natural disasters, global pandemic, or other unavoidable impediments with raw materials and supplies.

Occasionally we may have questions regarding your order that require us to contact you. Your order will be put on hold until we are able to clarify such issues with you. We will make every effort to contact you in a timely manner. Please return calls or e-mails promptly to expedite production of your order.

ORDER MINIMUMS AND ADDITIONAL UNIFORM ORDER POLICY:

MADE-TO-ORDER GARMENTS

A minimum order of 4 is required for all made-to-order garments and packages. We are unable to process individual orders for any made-to-order item. Additional or fill-in uniforms to match exactly an already fulfilled team order may be purchased for a 30% less-than-minimum upcharge. A minimum of 6 applies to all CC Fusion™ garment orders, and fill-ins of less than 6 will not be accepted. Uniforms may not be added or deleted to any order once it has been placed into Production. Add-on orders will be considered a new order and appropriate manufacturing time and shipping will apply. Minimums for CC Fusion™, monogramming, rhinestones, screenprint, and vinyl apply for all new and add-on orders.

UNIFORM CARE INSTRUCTIONS

Cheerleading Company recommends washing all uniform items using a mild detergent without bleach and machine wash separately in a full tub of cold water. Remove promptly from washer when cycle is complete. Tumble dry with low heat polyester and Flexstretch™ items. Hang or lay flat to dry all SpiritFlex items and any item made with specialty material shown on pages 132 and 133. Do not use fabric softener on garments as this may affect the soil release properties and colorfastness. Complete shrinkage and colorfastness cannot be guaranteed because of different laundering processes and absorbent qualities of fabric. Cheerleading Company is not responsible for garments that have been laundered incorrectly. DO NOT DRY CLEAN. See www.cheerleading.com for more detailed care instructions, especially for our delicate specialty fabrics and Premier and CC Dancewear® uniforms. Cheerleading Company is not responsible for sequins or rhinestones falling off.

NEED TO MATCH A PREVIOUS ORDER?

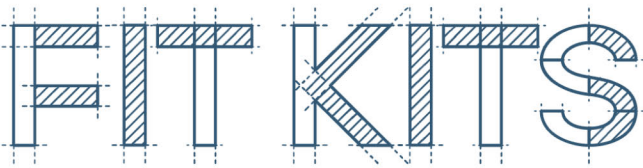

Cheerleading Company will match any previous Cheerleading Company order. See above for order minimum information. Cheerleading Company does not duplicate designs of other manufacturers. However, Cheerleading Company's on-site staff of designers may be able to custom-design a uniform that will meet your requirements. Our minimum order quantity is 12 uniforms for custom designs and patterns. Additional manufacturing time applies.

LETTERING, MONOGRAMMING, AND STRIPING

Please be specific when ordering lettering. Since it is made-to-order, we are unable to accept returns. Please refer to pages 124-130 for available lettering styles and page 129 for lettering placement. For special lettering styles not shown in this catalog, please CALL US FIRST at 214-343-3333 and we will be glad to offer our professional assistance. Please allow additional manufacturing time for any rhinestones, monogramming, custom lettering, specialty or SpiritFlex lettering, CC Fusion™ lettering, or specialty striping. There is an additional \$5.00 upcharge per piece for metallic striping and lettering. There is a \$5.00 upcharge per monogram for metallic monogramming. Please see pages 132-133 for specialty fabric, striping, and lettering prices, and pages 124-130 for additional lettering and monogram ordering information.

SELECTING YOUR SIZE

1. Cheerleading Company garments are manufactured to standard sizing charts. Measurements are taken to determine which standard size will be the best possible fit; garments are not manufactured to fit an individual's exact measurements. We are able to customize back length and skirt length on most garments at no extra charge. CC Fusion™ sublimated garments are available in standard lengths only. To see more complete size chart information, visit us at www.cheerleading.com. We highly recommend our convenient Fit Kits! See cheerleading.com for more information and how-to videos!
2. Cheerleaders grow! Hold fittings as close to the time of ordering as possible, and take potential growth into account when determining the size to order.
3. As with any standard-size garment, some alterations may be necessary for the best fit. We offer a generous seam allowance on most garments to allow for easy alterations if needed. Alterations and alteration costs are the sole responsibility of the purchaser. Cheerleading Company does not provide alterations.
- As each garment is individually sewn, Cheerleading Company allows small tolerances in the length and width of garments. Garments may measure up to +/- 1/2" of the specified length and +/- 1/2" of the specified bust/chest or waist size.
