

CC FUSION™

COLLECTIONS AND HOW TO ORDER GUIDE

MOISTURE WICKING!

All CC FUSION™ collections and All Star designs are made from moisture-wicking SpiritFlex. CC FUSION™ spirit dresses and campwear are made from moisture-wicking mesh jersey. CC FUSION™ double-knit uniforms are made from moisture-wicking double-knit polyester with SpiritFlex shell backs and SpiritFlex skirt waistbands.

MOVES with YOU!

The design is dyed directly into the fabric – no extra seams for maximum stretchability.

LIGHTWEIGHT!

Emblems are part of the dyed design – no extra lettering weighing down the uniform.

BOLD COLORS!

Offered in over 25 team and fashion colors, making sure you're seen on the field, court, or performance floor. No color fading! Call or e-mail for free color swatches!
